
Characteristics Associated with Each Personality Type

You can find descriptions of the characteristics associated with each personality type in several places. These include (1) manuals for the Myers-Briggs Type Indicator, (2) scholarly articles dealing with personality types, and (3) the Myers & Briggs Foundation website.

1. Manuals for the Myers-Briggs Type Indicator:
 - a. The reference for the manual for the Myers-Briggs Type Indicator: *Manual: A Guide to the Development and Use of the Myers-Briggs Type Indicator* (pp. 20-21) by I. B. Myers and M. H. McCaulley, 1985, PaloAlto, CA: Consulting Psychologists Press, Inc.
 - b. [Click Here](#) for a link to the *Myers-Briggs Type Indicator Manual* by WC Personality, Inc. which contains descriptions of the 16 personality types.

2. The article below by Dr. Geeta Shetty is an example of a scholarly article that contains a description of the personality type groups.
